Every year Moore Finance host a charity fundraising ball in aid of the Moore Foundation.

The Moore Foundation is a charitable trust based in Warrington in the heart of Cheshire and provides financial and practical support to many children, their family and a variety of children's charities at a grass roots level across the North West.

This year we are delighted to announce the venue will be the Great Hall at Manchester Town Hall and to reflect the location this year's theme is Medieval.

Our entertainment for the evening will include swingband Dominic Halpin & The Honey Bs and the event promises to be the highlight of 2014. This all takes place on Saturday 27th September and we can't wait to see you.

To secure your tickets, all you need to do now is arrange the initial deposit of 25% to be paid by 1st August and the balance by 1st September.

We really hope you can join us.

A handwritten signature in black ink, appearing to read 'Nigel Garner', is written over a faint background image of a large, ornate building, likely Manchester Town Hall. The signature is stylized and includes a long horizontal stroke that extends to the left.

Kind Regards

**Nigel Garner
Chairman of The Moore Foundation**
